*These statements have not been evaluated by the Food and Drug Administration. This product is not intended to diagnose, treat, cure or prevent any disease.

Overview

Contains glucosamine for advanced joint support, along with an exclusive herb-mineral blend for antioxidant benefits.*

The original Joint Support (#0261) will still be available for sale while supplies last.

Key Benefits

- Contains glucosamine to support healthy joint function and comfort.*
- Contains the herb scutellaria for antioxidant and healthy aging benefits.*
- Excellent source of manganese, selenium and copper to support the body's natural antioxidant activities.*
- Three easy-to-swallow tablets daily.

Details

Age and an active lifestyle can make people more prone to joint problems. Protect and cushion joints with a specially formulated blend of glucosamine, antioxidant-enhancing scutellaria root, and an advanced blend of selenium, manganese and copper to offer the body healthy aging benefits.*

Usage

Take one tablet, three times a day. For optimal joint health, use with Herbalifeline® (which contains Omega-3 fatty acids for joint health).
