### Product Details

#### Personalized Protein Powder

Flavor/Type	SKU	Label
12.7 oz (360g)	0194	<a href="#">Download</a>

#### Overview

A fat-free protein supplement for hunger control and healthy weight management with 5g of soy and whey protein, and all 9 essential amino acids.

#### Key Benefits

- Satisfy and control hunger
- Support adequate protein intake with low-fat protein
- Build and maintain lean muscle mass

#### Details

The body needs protein to maintain lean muscle mass and control hunger. But how best to get enough protein without the unwanted fats and calories? Personal Protein Powder combines soy and whey to help satisfy your hunger and customize your protein intake.

#### Usage

Take 1 to 4 servings daily. This plain, unsweetened formula can be added to your Formula 1 Shake or stirred into shakes, sauces, soups and more.
